For Immediate Release

Brown Smith Wallace Consulting Group Brings Industries Together ...
Spring Virtual Tech Fair™ Keynote Speakers Announced

Have you outgrown your current system? Are you driving your IT process or is IT driving you? Confused about which way to go? The 2008 Distribution Virtual Tech Fair hosted by Brown Smith Wallace Consulting Group will help guide you as you take control of your technology roadmap.

For two days only, April 30 and May 1, attendees can meet with leading technology companies and industry experts from the comfort of their office -- live, online, interactive and 100 percent free – at the Distribution Virtual Tech Fair.

Education Sessions Announced

Virtual Tech Fair education sessions will include keynote presentations by authors Richard Hadden and Ed Oakley.

- **Richard Hadden** will present the keynote address, “Making the Connection Between People and Profits” April 30. Hadden is a well known industry expert who concentrates on employee relations and creating a great place to work. Hadden is the co-author of *Contented Cows Give Better Milk: The Plain Truth About Employee Relations and Your Bottom Line* and *Contented Cows Moove Faster*. For more information visit www.contentedcows.com.
- For more than 20 years **Ed Oakley** has helped companies of all sizes turn managers into business leaders. His presentation May 1 will present concepts from his two books *Leadership Made Simple* and *Enlightened Leadership*. For more information visit www.enleadership.com.

About the Virtual Tech Fair

The complimentary, interactive event takes the most successful elements of a live trade show and translates them into the virtual world of the Internet. Attendees enjoy product demos, event networking, show prizes and educational presentations from industry leaders. For a sneak peek, attendees can take a virtual tour of the show at www.virtualtechfair.com.

Spring Virtual Tech Fair™ Take Control Of Your Technology Roadmap
